

SFHS Demon Pride Marching Band Needs Your Help!

Calling all SFHS alumni, community members, and music lovers!

The Santa Fe High Band Boosters (501c3) is raising money for travel expenses for the Demon Pride Marching Band 2023 competition season. We desperately need your help! The Demon Pride Marching Band is an amazing group of students from diverse backgrounds, ethnicities, and social economic statuses. High school band programs continue to face increasing budgetary challenges, which limits opportunities for our community's youth to participate in the functions such as marching competitions. Last year we revitalized the marching band and are on the verge of becoming a very competitive band, however, we have significant budget shortages to get the kids to competitions. Without travel funding our kids will not be able to demonstrate all their hard work.

Please support your local marching band and contribute to our GoFundMe campaign!
